Dear James:

Congratulations on being selected as a recipient of the 1990 Kingston Rotary Scholarship.

The check for \$1000 to the college of your choice will be sent to the registrar in the month of August so that they might apply this credit to your fee cost. Kindly let us know the name of the college you decided to attend.

We will be in touch with you with a date when we would like you to be our guest at a Rotary meeting. Please report to Dr. MacFadden, our program chairman at that time.

May you have a good summer as you prepare to develop your talents in your personal growth for the service of all. The Rotary motto is "Service Above Self."
